Our **STANDARD** colour range has been specially selected to meet the needs of most building projects and represents some of the most popular colours used and selected by builders, architects and home owners.

**STANDARD** colours are part of our in-stock floor colours and offer great savings and faster delivery times.

Colours displayed on this colour chart are a guide only. \*Queanbeyan colour selection may vary from the standard colours displayed in this brochure. COLORBOND® colour names are a registered trade mark of Bluescope Steel Limited.

**SECONDARY** colours are a combination of new emerging colours entering the market and traditional favourites.

Secondary colours may be subject to longer lead times and additional costs.
